**ADDITIONAL MATERIALS TO THE
DEFINITIVE PROXY STATEMENT OF AMC NETWORKS INC.**

The following information supplements and amends the definitive proxy statement of AMC Networks Inc. (the “Company”) filed with the United States Securities and Exchange Commission on April 29, 2020 (the “Original Filing”) in connection with the solicitation of proxies by the Company for the 2020 Annual Meeting of Stockholders. Except as specifically supplemented or amended by the information contained in this supplement, all information in the Original Filing remains accurate and should be considered in voting your shares.

The Original Filing includes proposals to approve the Company’s Amended and Restated 2016 Employee Stock Plan and Amended and Restated 2011 Stock Plan for Non-Employee Directors and contemplates attaching copies of the proposed plans as Appendix A and Appendix B, respectively. The sole purpose of this supplement is to include copies of the proposed plans, which were inadvertently omitted from the Original Filing. A full copy of each of the Amended and Restated 2016 Employee Stock Plan and Amended and Restated 2011 Stock Plan for Non-Employee Directors is attached as Appendix A and Appendix B to this supplement, respectively.

APPENDIX A

AMC Networks Inc. Amended and Restated 2016 Employee Stock Plan

1. **Purpose.** The purpose of the AMC Networks Inc. 2016 Employee Stock Plan is to compensate employees of the Company and its Affiliates who are and have been largely responsible for the management and growth of the business of the Company and its Affiliates and to advance the interests of the Company by encouraging and enabling the acquisition of a personal proprietary interest in the Company by employees upon whose judgment and keen interest the Company and its Affiliates are largely dependent for the successful conduct of their operations. It is anticipated that such compensation and the acquisition of such proprietary interest in the Company will stimulate the efforts of such employees on behalf of the Company and its Affiliates, and strengthen their desire to remain with the Company and its Affiliates. It is also expected that such compensation and the opportunity to acquire such a proprietary interest will enable the Company and its Affiliates to attract and retain desirable personnel.

This Plan replaces the AMC Networks, Inc. Amended and Restated 2011 Employee Stock Plan (as amended to the Effective Date, the "Prior Plan") for Awards granted on or after the effective date set forth in Section 23 (the "Effective Date"). Awards may not be granted under the Prior Plan beginning on the Effective Date, but this Plan will not affect the terms or conditions of any option, stock appreciation right, restricted share or restricted stock unit or other award made under the Prior Plan before the Effective Date except as provided in Section 5.

The amendments to this Plan will not affect the terms or conditions of any Award granted prior to the effective date of such amendments provided in Section 23.

Notwithstanding the generality of the foregoing, if the Company has established an electronic exercise program with a broker for the exercise of Options or Rights and the Shares underlying the Options are publicly traded, the Fair Market Value of a Share for purposes of net cashless exercise and withholding taxes shall be the price of a Share on such stock exchange at the time of exercise.

The performance criteria may, without limitation, be determined by reference to the performance of the Company, an Affiliate or a business unit, product, production, network or service thereof or any combination of the foregoing. Such criteria may also be measured on a per customer, subscriber, viewer (or available viewer), basic or diluted share basis or any combination of the foregoing and may reflect absolute performance, incremental performance or comparative performance to other companies (or their products or services) determined on a gross, net, GAAP or non-GAAP basis, with respect to one or more of the following in each case without limitation: (i) net or operating income or other measures of profit, including, without limitation, adjusted operating income (AOI); (ii) measures of revenue; (iii) earnings before interest, taxes, depreciation and amortization (EBITDA); (iv) cash flow, free cash flow, adjusted operating cash flow (AOCF), unlevered free cash flow, cash flow from operations and similar measures; (v) return on equity, investment, assets or capital; (vi) gross or operating margins or savings; (vii) performance relative to budget, forecast or market expectations; (viii) market share or penetration, subscriber or customer acquisition or retention, ratings or viewership; (ix) operating metrics relating to sales, subscriptions or customer service or satisfaction; (x) capital spending management or product or service deployments; (xi) achievement of strategic business objectives such as acquisitions, dispositions or investments; (xii) a specified increase in the fair market value of the Shares; (xiii) a specified increase in the private market value of the Company; (xiv) the Share price; (xv) earnings per share; and/or (xvi) total shareholder return.

(v) "Subsidiary" shall mean any "subsidiary corporation," as defined in Section 424(f) of the Internal Revenue Code.

3. Administration. (a) The Plan shall be administered by the Committee, which shall consist of at least the minimum number of members of the Board of Directors required by Section 162(m) of the Internal Revenue Code. Such members shall be appointed by, and shall serve at the pleasure of, the Board of Directors. Except as otherwise determined by the Board of Directors, the members of the Committee shall be "non-employee directors" as defined in Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act"); provided, however, that the failure of the Committee to be so comprised shall not cause any Award to be invalid. The Committee may delegate any of its powers under the Plan to a subcommittee of the Committee (which hereinafter shall also be referred to as the Committee). With respect to any actions taken in connection with an Award that is intended to be grandfathered from the amendments to Section 162(m) of the Internal Revenue Code implemented by the Tax Cuts and Jobs Act of 2017 (if any), the members of the Committee (or subcommittee) shall be "outside directors" to the extent required by Section 162(m) of the Internal Revenue Code; provided, however, that the failure of the Committee (or subcommittee) to be so comprised shall not cause any Award to be invalid. The Committee may also delegate (i) to any person who is not a member of the Committee or (ii) to any administrative group within the Company, any of its powers, responsibilities or duties. In delegating its authority, the Committee shall consider the extent to which any delegation may cause Awards to fail to be deductible under Section 162(m) of the Internal Revenue Code or to fail to meet the requirements of Rule 16(b)-3(d)(1) or Rule 16b-3(e) under the Exchange Act.

(b) The Committee shall have full authority, subject to the terms of the Plan (including Section 19), to (a) exercise all of the powers granted to it under the Plan, (b) construe, interpret and implement the Plan and all Awards and Award Agreements, (c) prescribe, amend and rescind rules and regulations relating to the Plan, including rules governing its own operations, (d) make all determinations necessary or advisable in administering the Plan, (e) correct any defect, supply any omission and reconcile any inconsistency in the Plan, (f) amend the Plan, (g) grant Awards and determine who shall receive Awards and the terms and conditions of such Awards, including, but not limited to, conditioning the exercise, vesting, payout or other term or condition of an Award on the achievement of Performance Criteria, (h) amend any outstanding Award in any respect, including, without limitation, to (1) accelerate the time or times at which the Award becomes vested or unrestricted or may be exercised or at which Shares are delivered under the Award (and, without limitation on the Committee's rights, in connection with such acceleration, the Committee may provide that any Shares delivered pursuant to such Award shall be Restricted Shares, which are subject to vesting, transfer, forfeiture or repayment provisions similar to those in the Participant's underlying Award) or (2) waive or amend any goals, restrictions, conditions or Performance Criteria (subject to the requirements of Section 162(m) of the Internal Revenue Code, if applicable to the Award) applicable to such Award, or impose new goals or restrictions and (i) determine at any time whether, to what extent and under what circumstances and method or methods (1) Awards may be (A) settled in cash, Shares, other securities, other Awards or other property, (B) exercised or (C) canceled, forfeited or suspended or (2) Shares, other securities, cash, other Awards or other property and other amounts payable with respect to an Award may be deferred either automatically or at the election of the participant or of the Committee. Subject to the requirements of Section 162(m) of the Internal Revenue Code, if applicable to the Award, the enumeration of the foregoing powers is not intended and should not be construed to limit in any way the authority of the Committee under the Plan which is intended, to the fullest extent permitted by law, to be plenary. The Plan, and all such rules, regulations, determinations and interpretations, shall be binding and conclusive upon the Company, its stockholders and all Participants, and upon their respective legal representatives, heirs, beneficiaries, successors and assigns and upon all other persons claiming under or through any of them. Any provisions set forth in the Plan regarding deductibility under Section 162(m) of the Internal Revenue Code shall apply solely to any Awards that are intended to be grandfathered from the amendments to Section 162(m) of the Internal Revenue Code implemented by the Tax Cuts and Jobs Act of 2017.

(c) No member of the Board of Directors or the Committee or any employee of the Company or any of its Affiliates (each such person a "Covered Person") shall have any liability to any person (including, without limitation, any Participant) for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award. Each Covered Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense (including attorneys' fees) that may be imposed upon or incurred by such Covered Person in connection with or resulting from any action, suit or proceeding to which such Covered Person may be a party or in which such Covered Person may be involved by reason of any action taken or omitted to be taken under the Plan and against and from any and all amounts paid by such Covered Person, with the Company's approval, in settlement thereof, or paid by such Covered Person in satisfaction of any judgment in any such action, suit or proceeding against such Covered Person; provided that, the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and, once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not be available to a Covered Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case, not subject to further appeal, determines that the acts or omissions of such Covered Person giving rise to the indemnification claim resulted from such Covered Person's bad faith, fraud or willful criminal act or omission. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which Covered Persons may be entitled under the Company's Certificate of Incorporation or By-laws, as a matter of law, by agreement or otherwise, or any other power that the Company may have to indemnify such persons or hold them harmless.

4. Participants. Except as hereinafter provided, all employees of the Company and its Affiliates shall be eligible to receive Awards under the Plan, except that Options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code shall be granted only to employees of the Company or a Subsidiary. Nothing herein contained shall be construed to prevent the making of one or more Awards at the same or different times to the same employee.

5. **Share Limitations.** (a) The Committee may make Awards under this Plan for up to an aggregate number of 12,000,000 Shares, which may be either treasury Shares or authorized but unissued Shares. To the extent that (i) an Award shall be paid, settled or exchanged or shall expire, lapse, terminate or be cancelled for any reason, in whole or in part, without the issuance of Shares, (ii) any Shares under an Award are not issued because of payment or withholding obligations or (iii) Restricted Shares shall revert back to the Company prior to the lapse of the Restrictions or be applied by the Company for purposes of tax withholding obligations, then the Committee may also grant Awards with respect to such Shares or Restricted Shares. To the extent that the number of performance-vested restricted stock units that vest under awards that the Company granted under the Prior Plan in 2016 result in the delivery by the Company of Shares exceeding the number of Shares that may be issued under the Prior Plan (the "Prior Plan Limit"), then the number of Shares that exceed the Prior Plan Limit shall be counted against the Share limit under this Plan. Awards payable only in cash or property other than Shares shall not reduce the aggregate remaining number of Shares with respect to which Awards may be made under the Plan and Shares relating to any other Awards that are settled in cash or property other than Shares, when settled, shall be added back to the aggregate remaining number of Shares with respect to which Awards may be made under the Plan. The maximum number of Shares that may be issued under the Plan shall be adjusted by the Committee as appropriate to account for the events provided for in Section 12 hereof. Any Shares with respect to which the Company becomes obligated to make Awards through the assumption of, or in substitution for, outstanding awards previously granted by an acquired entity, shall not count against the Shares available to be delivered pursuant to Awards under this Plan.

(b) In no event shall any Participant be granted Awards during any one (1) calendar year for, or that relate to, an aggregate number of Shares exceeding 2,000,000. The maximum number of Shares underlying Awards that may be granted to an individual in any one (1) calendar year under the Plan shall be adjusted by the Committee as appropriate to account for the events provided for in Section 12 hereof.

(c) If, after the Effective Date, the Company creates a new class of capital stock (a "new class"), then the Committee may grant Awards for shares of the new class. Each share of the new class granted pursuant to an Award shall count against the Share limitation in Section 5(a) as one Share (or such other number as equitably determined by the Committee). Effective as of the date on which any new class is created by an amendment to the Company's Amended and Restated Certificate of Incorporation, "Share" shall mean a share of AMC Networks Inc. Class A Common Stock, par value \$0.01 per share, or a share of such new class, as applicable.

6. **Options.** Options granted under the Plan shall be either incentive stock options, within the meaning of Section 422 of the Internal Revenue Code, or non-qualified options, as determined by the Committee in its sole discretion.

(a) **Terms and Conditions.** The form, terms and conditions of each Option shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, provisions relating to the vesting and exercisability of such Options as well as the conditions or circumstances upon which such Options may be accelerated, extended, forfeited or otherwise modified. The Committee may, in its sole discretion, establish one or more conditions to the vesting or exercise of an Option including, without limitation, conditions the satisfaction of which are measured by Performance Criteria; provided that, if such Option is designated as an incentive stock option, then such condition or conditions shall not be inconsistent with Section 422 of the Internal Revenue Code. Unless the Award Agreement specifies that the Option is an incentive stock option, it shall be a non-qualified stock option. All or any part of any Options granted to any Participant may be made exercisable upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

(b) **Exercise Price for Options.** The exercise price per Share of the Shares to be purchased pursuant to any Option shall be fixed by the Committee at the time an Option is granted, but in no event shall it be less than the Fair Market Value of a Share on the day on which the Option is granted. Such exercise price shall thereafter be subject to adjustment as required by the Award Agreement relating to each Option or Section 12 hereof.

(c) **Duration of Options.** The duration of any Option granted under this Plan shall be for a period fixed by the Committee but shall, except as described in the next sentence, in no event be more than ten (10) years. Notwithstanding the foregoing, an Award Agreement may provide that, in the event the Participant dies while the Option is outstanding, the Option will remain outstanding until the first anniversary of the Participant's date of death, and whether or not such first anniversary occurs prior to or following the expiration of ten (10) years from the date the Option was granted.

(d) **Incentive Stock Options Granted to Ten Percent Stockholders.** To the extent required by Section 422 of the Internal Revenue Code, no Option which is intended to qualify as an incentive stock option shall be granted under this Plan to any employee who, at the time the Option is granted, owns, or is considered owning, within the meaning of Section 422 of the Internal Revenue Code, shares possessing more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Company or any Subsidiary, unless the exercise price under such Option is at least one hundred and ten percent (110%) of the Fair Market Value of a Share on the date such Option is granted and the duration of such option is no more than five (5) years.

(e) **Initial Exercisability Limitation.** The aggregate Fair Market Value (determined at the time that an Option is granted) of the Shares with respect to incentive stock options granted in any calendar year under all stock option plans of the Company or any corporation which (at the time of the granting of such incentive stock option) was a parent or Subsidiary of the Company, or of any predecessor corporation of any such corporation, which are exercisable for the first time by a Participant during any calendar year shall not exceed \$100,000, or, if different, the maximum allowed under Section 422 of the Internal Revenue Code.

(f) **Settlement of an Option.** When an Option is exercised pursuant to Section 8 hereof, the Committee, in its sole discretion, may elect, in lieu of issuing Shares pursuant to the terms of the Option, to settle the Option by paying the Participant an amount equal to the product obtained by multiplying (i) the excess of the Fair Market Value of one Share on the date the Option is exercised over the exercise price of the Option (the "Option Spread") by (ii) the number of Shares with respect to which the Option is exercised. The amount payable to the Participant in these circumstances shall be paid by the Company either in cash or in Shares having a Fair Market Value equal to the Option Spread, or a combination thereof, as the Committee shall determine at the time the Option is exercised or at the time the Option is granted.

7. **Rights.** The Committee may grant to employees the right to receive such number of Rights, as determined by the Committee in its sole discretion.

(a) **Terms and Conditions.** The form, terms and conditions of each Right shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, provisions relating to the vesting and exercisability of such Rights as well as the conditions or circumstances upon which such Rights may be accelerated, extended, forfeited or otherwise modified. The Committee may, in its sole discretion, establish one or more conditions to the vesting or exercise of a Right including, without limitation, conditions the satisfaction of which are measured by Performance Criteria. All or any part of any outstanding Rights granted to any Participant may be made exercisable upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

(b) **Exercise Price for Rights.** The exercise price of each Right shall be fixed by the Committee at the time a Right is granted, but in no event shall it be less than the Fair Market Value of a Share on the day on which the Right is granted. Such exercise price shall thereafter be subject to adjustment as required by the Award Agreement relating to each Right or Section 12 hereof.

(c) **Duration of Rights.** The duration of any Right granted under this Plan shall be for a period fixed by the Committee but shall, except as described in the next sentence, in no event be more than ten (10) years. Notwithstanding the foregoing, an Award Agreement may provide that, in the event the Participant dies while the Right is outstanding, the Right will remain outstanding until the first anniversary of the Participant's date of death, and whether or not such first anniversary occurs prior to or following the expiration of ten (10) years from the date the Right was granted.

(d) **Settlement of Rights.** Upon the exercise of any Rights, the Participant shall be entitled to receive from the Company an amount equal to the product obtained by multiplying (i) the excess of the Fair Market Value of one Share on the date the Rights are exercised over the exercise price of the related Right by (ii) the number of Shares to which such Rights are related. Such amount shall be paid in cash, in Shares having a Fair Market Value equal to such amount, or a combination of cash and Shares, as the Committee shall determine at the time the Right is exercised or at the time the Right is granted.

8. **Exercise of Options and Rights.** (a) An Option or Right shall be exercised by the delivery to any person who has been designated by the Company for the purpose of receiving the same, of a written notice duly signed by the Participant (or the representative of the estate or the heirs of a deceased Participant) to such effect (or electronic notice in a manner, if any, previously approved by the Company). Unless the Company chooses to settle an Option in cash, Shares or a combination thereof pursuant to Section 6(f) hereof, the Participant shall be required to deliver to the Company, within five (5) days of the delivery of the notice described above, either cash, a check payable to the order of the Company, Shares duly endorsed over to the Company (which Shares shall be valued at their Fair Market Value as of the date preceding the day of such exercise) or any combination of such methods of payment, which together amount to the full exercise price of the Shares purchased pursuant to the exercise of the Option. Notwithstanding the preceding sentence, the Company may establish an electronic exercise program with a broker and the Company and the Participant may agree upon any other reasonable manner of providing for payment of the exercise price of the Option.

(b) Except to the extent the Committee chooses to settle any Option or Right in cash pursuant to Section 6(f) or 7(d) hereof, within a reasonable time after exercise of an Option or Right the Company shall either issue to the Participant a certificate representing the Shares purchased pursuant to the exercise of the Option or Right or credit the number of such Shares to a book-entry account. To the extent the Committee chooses to settle any Option or Right in cash pursuant to Section 6(f) or 7(d), within a reasonable time after exercise of an Option or Right the Company shall cause to be delivered to the person entitled thereto a payment for the amount payable pursuant to the exercise of the Option or Right.

9. **Restricted Shares.** The Committee may grant to employees the right to receive such number of Restricted Shares, as determined by the Committee in its sole discretion.

(a) **Issuance; Terms and Conditions.** The form, terms and conditions of each Restricted Share shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, the Restrictions upon such Restricted Shares, the dates as of which Restrictions upon such Restricted Shares will cease, and the conditions or circumstances upon which such Restricted Shares will be forfeited or otherwise modified. The Committee may, in its sole discretion, establish one or more Restrictions to the vesting of a Restricted Share that relate to the satisfaction of Performance Criteria.

(b) **Payment of Par Value.** To the extent a Participant is required by law to pay to the Company the par value of a Restricted Share, such Participant shall have forty-five (45) business days from the date of such grant to pay to the Company, in cash or by check, an amount equal to the par value of a Share multiplied by the number of Shares or Restricted Shares which have been granted to the employee by the Committee. In such instances, if the Participant fails to make payment to the Company for such Shares or Restricted Shares within forty-five (45) business days of the grant thereof, the Company shall withhold, or shall cause to be withheld, the amount of such payment from compensation otherwise due the employee from the Company or any Affiliate. Unless the Committee determines otherwise, a Participant's prior service with the Company or any of its Affiliates shall be deemed sufficient consideration for such Restricted Shares and no payment therefore (including, without limitation, for the par value of the Restricted Shares) shall be due from the Participant. Subject to the provisions of Section 15 hereof, the Committee, in its sole discretion, shall either issue to the employee a certificate representing such Restricted Shares or credit the number of such Restricted Shares to a book-entry account upon the payment due, if any, pursuant to this paragraph.

(c) **Restriction on Shares.** In no event shall a Restricted Share be sold, assigned, transferred, pledged or otherwise disposed of or encumbered until the expiration of the Restricted Period which relates to such Restricted Share. All or any part of any outstanding Restricted Shares granted to any Participant may be vested in full and the Restrictions thereon shall lapse upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

(d) **Forfeiture of Restricted Shares.** If Restricted Shares are forfeited pursuant to the terms of the Plan or an Award Agreement, such Restricted Shares shall revert back and belong to the Company. In the event that any Restricted Shares should be forfeited by the Participant, revert back and belong to the Company, any stock certificate or certificates representing such Restricted Shares shall be cancelled and the Restricted Shares shall be returned to the treasury of the Company. Upon the reversion of such Restricted Shares, the Company shall repay to the employee or (in the case of death) to the representative of the employee's estate, the full cash amount paid, if any, to the Company by the employee for such Restricted Shares pursuant to Section 9(b) hereof.

(e) **Right to Vote and Receive Dividends on Restricted Shares.** Each Participant shall, during the Restricted Period, be the beneficial and record owner of such Restricted Shares and shall have full voting rights with respect thereto. Unless the Committee determines otherwise, during the Restricted Period, all ordinary cash dividends (as determined by the Committee in its sole discretion) paid upon any Restricted Share shall be retained by the Company for the account of the relevant Participant. Such dividends shall revert back to the Company if for any reason the Restricted Share upon which such dividends were paid reverts back to the Company. Upon the expiration of the Restricted Period, all such dividends made on such Restricted Share and retained by the Company will be paid to the relevant Participant.

10. **Restricted Stock Units.** The Committee may grant employees such number of Restricted Stock Units as it may determine in its sole discretion.

(a) **Terms and Conditions.** The form, terms and conditions of each Restricted Stock Unit shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, the conditions or circumstances upon which such Restricted Stock Unit will be paid, forfeited or otherwise modified, and the date or dates upon which any Shares, cash or other property shall be delivered to the Participant in respect of the Restricted Stock Units. The Committee may, in its sole discretion, establish one or more conditions to the vesting of a Restricted Stock Unit including, without limitation, conditions the satisfaction of which are measured by Performance Criteria. All or any part of any outstanding Restricted Stock Unit granted to any Participant may be vested in full or paid upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

(b) **Settlement of Restricted Stock Units.** The Committee, in its sole discretion, may instruct the Company to pay on the date when Shares would otherwise be issued pursuant to a Restricted Stock Unit, in lieu of such Shares, a cash amount equal to the number of such Shares multiplied by the Fair Market Value of a Share on the date when Shares would otherwise have been issued. If a Participant is entitled to receive other stock, securities or other property as a result of an adjustment, pursuant to Section 12 hereof, the Committee, in its sole discretion, may instruct the Company to pay, in lieu of such other stock, securities or other property, cash equal to the fair market value thereof as determined in good faith by the Committee. Until the delivery of such Shares, cash, securities or other property, the rights of a Participant with respect to a Restricted Stock Unit shall be only those of a general unsecured creditor of the Company.

(c) **Right to Receive Dividends on Restricted Stock Units.** Unless the Committee determines otherwise, during the period prior to payment of the Restricted Stock Unit, all ordinary cash dividends (as determined by the Committee in its sole discretion) that would have been paid upon any Share underlying a Restricted Stock Unit had such Shares been issued shall be paid only at the time and to the extent such Restricted Stock Unit is vested.

11. **Grant of Other Stock-Based Awards.** The Committee may grant other types of equity-based or equity-related Awards (including unrestricted Shares) in such amounts and subject to such terms and conditions as the Committee shall determine. Such Awards may entail the transfer of actual Shares, or payment in cash or otherwise of amounts based on the value of Shares.

12. **Certain Adjustments.** (a) In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, forward or reverse stock split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects Shares such that the failure to make an adjustment to an Award would not fairly protect the rights represented by the Award in accordance with the essential intent and principles thereof (each such event, an "Adjustment Event"), then the Committee shall, in such manner as it may determine to be equitable in its sole discretion, adjust any or all of the terms of an outstanding Award (including, without limitation, the number of Shares covered by such outstanding Award, the type of property to which the Award is subject and the exercise price of such Award). In determining adjustments to be made under this Section 12(a), the Committee may take into account such factors as it determines to be appropriate, including without limitation (i) the provisions of applicable law and (ii) the potential tax or accounting consequences of an adjustment (or not making an adjustment) and, in light of such factors or others, may make adjustments that are not uniform or proportionate among outstanding Awards.

(b) **Fractional Shares or Securities.** Any fractional shares or securities payable upon the exercise of an Award as a result of an adjustment pursuant to this Section 12 shall, at the election of the Committee, be payable in cash, Shares, or a combination thereof, on such bases as the Committee may determine in its sole discretion.

13. **No Rights of a Stockholder.** A Participant shall not be deemed to be the holder of, or have any of the rights of a stockholder with respect to, any Shares subject to Options, Rights or Restricted Stock Units unless and until the Company shall have issued and delivered Shares to the Participant and said Participant's name shall have been entered as a stockholder of record on the books of the Company. Thereupon, such Participant shall have full voting, dividend and other ownership rights with respect to such Shares. The Company will not be obligated to issue or deliver any Shares unless and until all legal matters in connection with the issuance and delivery of Shares have been approved by the Company's counsel and the Company's counsel determines that all applicable federal, state and other laws and regulations have been complied with and all listing requirements for relevant stock exchanges have been met.

14. **No Right to Continued Employment.** Nothing in the Plan or in any Award Agreement shall confer upon any Participant the right to continued employment by the Company or any Affiliate or affect any right which the Company or any Affiliate may have to terminate such employment.

15. **Issuance of Shares and Consents.** If the Committee shall at any time determine that any Consent is necessary or desirable as a condition of, or in connection with, the granting of any Award, the delivery of Shares or the delivery of any cash, securities or other property under the Plan, or the taking of any other action, then such action shall not be taken, in whole or in part, unless and until such Consent shall have been effected or obtained to the full satisfaction of the Committee. Any stock certificate representing Restricted Shares shall contain an appropriate legend referring to the Plan and the Restrictions upon such Restricted Shares. Simultaneously with delivery of any stock certificate for Restricted Shares, the Company may cause a stop transfer order with respect to such certificate to be placed with the transfer agent of the Shares.

16. **Withholding.** If the Company or an Affiliate shall be required to withhold any amounts by reason of a federal, state or local tax laws, rules or regulations in respect of any Award, the Company or an Affiliate shall be entitled to deduct or withhold such amounts from any payments (including, without limitation Shares which would otherwise be issued to the Participant pursuant to the Award; provided that, to the extent desired for GAAP purposes, such withholding shall not exceed the statutory minimum amount required to be withheld) to be made to the Participant. In any event, the Participant shall make available to the Company or Affiliate, promptly when requested by the Company or such Affiliate, sufficient funds or Shares to meet the requirements of such withholding and the Company or Affiliate shall be entitled to take and authorize such steps as it may deem advisable in order to have such funds made available to the Company or Affiliate out of any funds or property due to the Participant.

17. **Right of Offset.** The Company shall have the right to offset against its obligation to deliver Shares, cash or other property under any Award that does not constitute "non-qualified deferred compensation" pursuant to Section 409A of the Internal Revenue Code any outstanding amounts of whatever nature that the Participant then owes to the Company or any of its Affiliates.

18. **Non-Transferability of Awards.** Unless the Committee shall permit (on such terms and conditions as it shall establish) an Award to be transferred to a member of the Participant's immediate family or to a trust or similar vehicle for the benefit of members of the Participant's immediate family (collectively, the "Permitted Transferees"), no Award shall be assignable or transferable except by will or by the laws of descent and distribution, and except to the extent required by law, no right or interest of any Participant shall be subject to any lien, obligation or liability of the Participant. All rights with respect to Awards granted to a Participant under the Plan shall be exercisable during the Participant's lifetime only by such Participant or, if applicable, the Permitted Transferees.

19. **Administration and Amendment of the Plan.** The Board of Directors or the Committee may discontinue the Plan at any time and from time to time may amend or revise the terms of the Plan or any Award Agreement, as permitted by applicable law, except that it may not (a) make any amendment or revision in a manner unfavorable to a Participant (other than if immaterial), without the consent of the Participant or (b) make any amendment or revision without the approval of the stockholders of the Company if such approval is required by the rules of an exchange on which Shares are traded. Consent of the Participant shall not be required solely pursuant to the previous sentence in respect of any adjustment made pursuant to Section 12(a) except to the extent the terms of an Award Agreement expressly refer to an Adjustment Event, in which case such terms shall not be amended in a manner unfavorable to a Participant (other than if immaterial) without such Participant's consent.

20. **Clawback.** Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement, or any clawback policy adopted by the Company.

21. **No Repricing & Reloads.** Unless otherwise approved by the stockholders of the Company, Options and Rights will not be repriced (other than in accordance with the adjustment provisions of Section 12), be repurchased for cash on a date when the exercise price of such Option or Right is equal to or exceeds the Fair Market Value of a Share or be subject to automatic reload provisions.

22. **Section 409A.** It is the Company's intent that Awards under this Plan be exempt from, or comply with, the requirements of Section 409A of the Internal Revenue Code, and that this Plan be administered and interpreted accordingly. If and to the extent that any Award made under this Plan is determined by the Company to constitute "non-qualified deferred compensation" subject to Section 409A of the Internal Revenue Code and is payable to a Participant by reason of the Participant's termination of employment, then (a) such payment or benefit shall be made or provided to the Participant only upon a "separation from service" as defined for purposes of Section 409A of the Internal Revenue Code under applicable regulations and (b) if the Participant is a "specified employee" (within the meaning of Section 409A of the Internal Revenue Code and as determined by the Company), such payment or benefit shall not be made or provided before the date that is six months after the date of the Participant's separation from service (or the Participant's earlier death).

23. **Effective Date.** The Plan became effective upon approval by the stockholders of the Company on June 8, 2016. The amendments to the Plan shall become effective upon approval by the stockholders of the Company on June 11, 2020.

24. **Severability.** If any of the provisions of this Plan or any Award Agreement is finally held to be invalid, illegal or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability and the remaining provisions shall not be affected thereby; provided that, if any of such provisions is finally held to be invalid, illegal, or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed to be modified to the minimum extent necessary to modify such scope in order to make such provision enforceable hereunder.

25. **Plan Headings.** The headings in this Plan are for the purpose of convenience only and are not intended to define or limit the construction of the provisions hereof.

26. **Non-Uniform Treatment.** The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, amendments and adjustments, and to enter into non-uniform and selective Award Agreements, as to the persons to receive Awards under the Plan, and the terms and provisions of Awards under the Plan.

27. **Governing Law.** The Plan and any Award Agreements shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to principles of conflict of laws.

28. **Successors and Assigns.** The terms of this Plan shall be binding upon and inure to the benefit of the Company and its successors and assigns.

29. **Duration.** This Plan shall remain in effect until June 11, 2030 unless sooner terminated by the Committee or the Board of Directors. Awards theretofore granted may extend beyond that date in accordance with the provisions of the Plan.

3. Plan Administration.

3.1 **Committee.** The Plan shall be administered by the Committee, which shall consist of at least two members of the Board of Directors who shall be appointed by, and shall serve at the pleasure of, the Board of Directors. Except as otherwise determined by the Board of Directors, the members of the Committee shall be “non–employee directors” under Rule 16b–3 of the Securities Exchange Act of 1934 (the “Exchange Act”); provided, however, that the failure of the Committee to be so comprised shall not cause any Award to be invalid. The Committee may delegate any of its powers under the Plan to a subcommittee of the Committee (which hereinafter shall also be referred to as the Committee). It is expected and permitted that members of the Committee shall be Participants.

3.2 **Authority.** The Committee shall have full authority, subject to the terms of the Plan (including Section 12), to (a) exercise all of the powers granted to it under the Plan, (b) construe, interpret and implement the Plan and all Awards and Award Agreements, (c) prescribe, amend and rescind rules and regulations relating to the Plan, including rules governing its own operations, (d) make all determinations necessary or advisable in administering the Plan, (e) correct any defect, supply any omission and reconcile any inconsistency in the Plan, (f) amend the Plan, (g) grant Awards and determine who shall receive Awards and the terms and conditions of such Awards, (h) amend any outstanding Award in any respect, including, without limitation, to (1) accelerate the time or times at which the Award becomes vested or unrestricted or may be exercised or at which Shares are delivered under the Award (and, without limitation on the Committee’s rights, in connection with such acceleration, the Committee may provide that any Shares delivered pursuant to such Award shall be subject to vesting, transfer, forfeiture or repayment provisions similar to those in the Participant’s underlying Award) or (2) waive or amend any restrictions or conditions applicable to such Award, or impose new restrictions or conditions and (i) determine at any time whether, to what extent and under what circumstances and method or methods (1) Awards may be (A) settled in cash, Shares, other securities, other Awards or other property, (B) exercised or (C) canceled, forfeited or suspended or (2) Shares, other securities, cash, other Awards or other property and other amounts payable with respect to an Award may be deferred either automatically or at the election of the Participant or of the Committee. The enumeration of the foregoing powers is not intended and should not be construed to limit in any way the authority of the Committee under the Plan which is intended, to the fullest extent permitted by law, to be plenary. The Plan, and all such rules, regulations, determinations and interpretations, shall be binding and conclusive upon the Company, its stockholders and all Participants, and upon their respective legal representatives, heirs, beneficiaries, successors and assigns and upon all other persons claiming under or through any of them.

3.3 **Liability.** No member of the Board of Directors or the Committee or any employee of the Company or any of its affiliates (each such person a “Covered Person”) shall have any liability to any person (including, without limitation, any Participant) for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award. Each Covered Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense (including attorneys’ fees) that may be imposed upon or incurred by such Covered Person in connection with or resulting from any action, suit or proceeding to which such Covered Person may be a party or in which such Covered Person may be involved by reason of any action taken or omitted to be taken under the Plan and against and from any and all amounts paid by such Covered Person, with the Company’s approval, in settlement thereof, or paid by such Covered Person in satisfaction of any judgment in any such action, suit or proceeding against such Covered Person, provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and, once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company’s choice. The foregoing right of indemnification shall not be available to a Covered Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case, not subject to further appeal, determines that the acts or omissions of such Covered Person giving rise to the indemnification claim resulted from such Covered Person’s bad faith, fraud or willful criminal act or omission. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which Covered Persons may be entitled under the Company’s Certificate of Incorporation or by–laws, as a matter of law, or otherwise, or any other power that the Company may have to indemnify such persons or hold them harmless.

4. **Eligibility.** All Non–Employee Directors are eligible for the grant of Awards.

5. Shares Subject to the Plan.

5.1 **Number.** The aggregate number of Shares that may be subject to Awards granted under this Plan shall not exceed 665,000, which may be either treasury Shares or authorized but unissued Shares. To the extent that (i) an Award shall be paid, settled or exchanged or shall expire, lapse, terminate or be cancelled for any reason without the issuance of Shares or (ii) any Shares under an Award are not issued because of payment or withholding obligations, then the Committee may also grant Awards with respect to such Shares. Awards payable only in cash or property other than Shares shall not reduce the aggregate remaining number of Shares with respect to which Awards may be made under the Plan and Shares relating to any other Awards that are settled in cash or property other than Shares, when settled, shall be added back to the aggregate remaining number of Shares with respect to which Awards may be made under the Plan. The maximum number of Shares that may be issued under the Plan shall be adjusted by the Committee as appropriate to account for the adjustments provided for in Section 5.2 hereof. Any Shares with respect to which the Company becomes obligated to make Awards through the assumption of, or in substitution for, outstanding awards previously granted by an acquired entity, shall not count against the Shares available to be delivered pursuant to Awards under this Plan.

5.2 Adjustment in Capitalization. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, forward or reverse stock split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects Shares such that the failure to make an adjustment to an Award would not fairly protect the rights represented by the Award in accordance with the essential intent and principles thereof (each such event, an “Adjustment Event”), then the Committee shall, in such manner as it may determine to be equitable in its sole discretion, adjust any or all of the terms of an outstanding Award (including, without limitation, the number of Shares covered by such outstanding Award, the type of property to which the Award is subject and the exercise price of such Award). In determining adjustments to be made under this Section 5.2, the Committee may take into account such factors as it determines to be appropriate, including without limitation (i) the provisions of applicable law and (ii) the potential tax or accounting consequences of an adjustment (or not making an adjustment) and, in light of such factors or others, may make adjustments that are not uniform or proportionate among outstanding Awards. Any fractional shares or securities payable upon the exercise of an Award as a result of an adjustment pursuant to this Section 5.2 shall, at the election of the Committee, be payable in cash, Shares, or a combination thereof, on such bases as the Committee may determine in its sole discretion.

6. Terms and Conditions of Awards.

6.1. Options.

6.1.1 Terms and Conditions. The form, terms and conditions of each Option shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, provisions relating to the vesting and exercisability of such Options as well as the conditions or circumstances upon which such Options may be accelerated, extended, forfeited or otherwise modified; provided, however, that unless the Award Agreement states otherwise, all Options granted under the Plan shall be fully vested and exercisable on the date of grant. All or any part of any unexercised Options granted to any Participant, to the extent not otherwise exercisable, may be made exercisable upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

6.1.2 Exercise Price. The exercise price per Share of the Shares to be purchased pursuant to each Option shall be fixed by the Committee at the time an Option is granted, but in no event shall it be less than the Fair Market Value of a Share on the date on which the Option is granted. Such exercise price shall thereafter be subject to adjustment as required by the Award Agreement relating to each Option or Section 5.2 hereof.

6.1.3 Duration of Options. The duration of any Option granted under this Plan shall be for a period fixed by the Committee but shall, except as described in the next sentence, in no event be more than ten (10) years. Notwithstanding the foregoing, an Award Agreement may provide that, in the event the Participant dies while the Option is outstanding, the Option will remain outstanding until the first anniversary of the Participant’s date of death, and whether or not such first anniversary occurs prior to or following the expiration of ten (10) years from the date the Option was granted.

6.1.4 Written Notice for Exercise. An Option shall be exercised by the delivery to any person who has been designated by the Company for the purpose of receiving the same, of a written notice duly signed by the Participant (or the representative of the estate or the heirs of a deceased Participant) to such effect (or electronic notice in a manner, if any, previously approved by the Company).

6.1.5 Payment. Unless the Company chooses to settle an Option in cash, Shares or a combination thereof pursuant to Section 6.1.6 hereof, the Participant shall be required to deliver to the Company, within five (5) days of the delivery of the notice described above, either cash, a check payable to the order of the Company, Shares duly endorsed over to the Company (which Shares shall be valued at their Fair Market Value as of the date preceding the day of such exercise) or any combination of such methods, which together amount to the full exercise price of the Shares purchased pursuant to the exercise of the Option. Notwithstanding the preceding sentence, the Company may establish an electronic exercise program with a broker and the Company and the Participant may agree upon any other reasonable manner of providing for payment of the exercise price of the Option. Except to the extent the Committee chooses to settle any Option in cash pursuant to Section 6.1.6 hereof, within a reasonable time after exercise of an Option the Company shall either issue to the Participant a certificate representing the Shares purchased pursuant to the exercise of the Option or credit the number of such Shares to a book-entry account. To the extent the Committee chooses to settle any Option in cash pursuant to Section 6.1.6, within a reasonable time after exercise of an Option, the Company shall cause to be delivered to the person entitled thereto a payment for the amount payable pursuant to the exercise of the Option.

6.1.6 Settlement of an Option. When an Option is exercised pursuant to Section 6.1.4 hereof, the Committee, in its sole discretion, may elect, in lieu of issuing Shares pursuant to the terms of the Option, to settle the Option by paying the Participant an amount equal to the product obtained by multiplying (i) the excess of the Fair Market Value of one Share on the date the Option is exercised over the exercise price of the Option (the “Option Spread”) by (ii) the number of Shares with respect to which the Option is exercised. The amount payable to the Participant in these circumstances shall be paid by the Company either in cash or in Shares having a Fair Market Value equal to the Option Spread, or a combination thereof, as the Committee shall determine at the time the Option is exercised or at the time the Option is granted.

6.2. **Restricted Stock Units.**

6.2.1 **Terms and Conditions.** The form, terms and conditions of each Restricted Stock Unit shall be determined by the Committee and shall be set forth in an Award Agreement. Such terms and conditions may include, without limitation, the conditions or circumstances upon which such Restricted Stock Unit will be paid, forfeited or otherwise modified, and the date or dates upon which any Shares, cash or other property shall be delivered to the Participant in respect of the Restricted Stock Units; provided, however, that unless the Award Agreement states otherwise, all Restricted Stock Units granted under the Plan shall be fully vested on the date of grant and shall be payable on such date as determined by the Committee. All or any part of any Restricted Stock Units granted to any Participant, to the extent not otherwise paid, may be paid to the Participant upon the occurrence of such special circumstances or events as determined in the sole discretion of the Committee.

6.2.2 **Settlement of Restricted Stock Units.** The Committee, in its sole discretion, may instruct the Company to pay on the date when Shares would otherwise be issued pursuant to a Restricted Stock Unit, in lieu of such Shares, a cash amount equal to the number of such Shares multiplied by the Fair Market Value of a Share on the date when Shares would otherwise have been issued. If a Participant is entitled to receive other stock, securities or other property as a result of adjustment, pursuant to Section 5.2 hereof, the Committee, in its sole discretion, may instruct the Company to pay, in lieu of such other stock, securities or other property, cash equal to the fair market value thereof as determined in good faith by the Committee. Until the delivery of such Shares, cash, securities or other property, the rights of a Participant with respect to a Restricted Stock Unit shall be only those of a general unsecured creditor of the Company.

6.2.3 **Right to Receive Dividends on Restricted Stock Units.** Unless the Committee determines otherwise, during the period prior to payment of the Restricted Stock Unit, all ordinary cash dividends (as determined by the Committee in its sole discretion) that would have been paid upon any Share underlying a Restricted Stock Unit had such Shares been issued shall be paid only at the time and to the extent such Restricted Stock Unit is vested.

6.3. **Grant of Other Stock-Based Awards.** The Committee may grant other types of equity-based or equity-related Awards (including, without limitation, restricted Shares, unrestricted Shares and stock appreciation rights) in such amounts and subject to such terms and conditions as the Committee shall determine. Such Awards may entail the transfer of actual Shares, or payment in cash or otherwise of amounts based on the value of Shares.

7. **No Rights of a Stockholder.** A Participant shall not have any of the rights or privileges of a stockholder of the Company with respect to the Shares subject to an Award unless and until such Shares have been issued and have been duly registered in the Participant's name. Thereupon, such Participant shall have full voting, dividend and other ownership rights with respect to such Shares. The Company will not be obligated to issue or deliver any Shares unless and until all legal matters in connection with the issuance and delivery of Shares have been approved by the Company's counsel and the Company's counsel determines that all applicable federal, state and other laws and regulations have been complied with and all listing requirements for relevant stock exchanges have been met.

8. **Compliance with Rule 16b-3.** It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Act"). If any provision of the Plan is later found not to be in compliance with such Rule, the provision shall be deemed null and void. All actions with respect to Awards under the Plan shall be executed in accordance with the requirements of Section 16 of the Act, as amended, and any regulations promulgated thereunder. To the extent that any of the provisions contained herein do not conform with Rule 16b-3 of the Act or any amendments thereto or any successor regulation, then the Committee may make such modifications so as to conform the Plan and any Awards granted thereunder to the Rule's requirements.

9. **Consents.** If the Committee shall at any time determine that any Consent is necessary or desirable as a condition of, or in connection with, the granting of any Award, the delivery of Shares or the delivery of any cash, securities or other property under the Plan, or the taking of any other action, then such action shall not be taken, in whole or in part, unless and until such Consent shall have been effected or obtained to the full satisfaction of the Committee.

10. **Withholding.** If the Company shall be required to withhold any amounts by reason of a federal, state or local tax laws, rules or regulations in respect of any Award, the Company shall be entitled to deduct or withhold such amounts from any payments (including, without limitation Shares which would otherwise be issued to the Participant pursuant to the Award; provided that, to the extent desired for GAAP purposes, such withholding shall not exceed the statutory minimum amount required to be withheld) to be made to the Participant. In any event, the Participant shall make available to the Company, promptly when requested by the Company, sufficient funds or Shares to meet the requirements of such withholding and the Company shall be entitled to take and authorize such steps as it may deem advisable in order to have such funds made available to the Company out of any funds or property due to the Participant.

11. **Non-Transferability of Awards.** Unless the Committee shall permit (on such terms and conditions as it shall establish) an Award to be transferred to a member of the Participant's immediate family or to a trust or similar vehicle for the benefit of members of the Participant's immediate family (collectively, the "Permitted Transferees"), no Award shall be assignable or transferable except by will or by the laws of descent and distribution, and except to the extent required by law, no right or interest of any Participant shall be subject to any lien, obligation or liability of the Participant. All rights with respect to Awards granted to a Participant under the Plan shall be exercisable during the Participant's lifetime only by such Participant or, if applicable, the Permitted Transferees.

12. **Administration and Amendment of Plan.** The Board of Directors or the Committee may discontinue the Plan at any time and from time to time may amend or revise the terms of the Plan or any Award Agreement, as permitted by applicable law, except that it may not (a) make any amendment or revision in a manner unfavorable to a Participant (other than if immaterial), without the consent of the Participant or (b) make any amendment or revision without the approval of the stockholders of the Company if such approval is required by the rules of an exchange on which Shares are traded. Consent of the Participant shall not be required solely pursuant to the previous sentence in respect of any adjustment made pursuant to Section 5.2 except to the extent the terms of an Award Agreement expressly refer to an Adjustment Event, in which case such terms shall not be amended in a manner unfavorable to a Participant (other than if immaterial) without such Participant's consent.

13. **Section 409A.** It is the Company's intent that Awards under this Plan be exempt from, or comply with, the requirements of Section 409A of the Internal Revenue Code, and that this Plan be administered and interpreted accordingly. If and to the extent that any Award made under this Plan is determined by the Company to constitute "non-qualified deferred compensation" subject to Section 409A of the Internal Revenue Code and is payable to a Participant by reason of the Participant's termination of employment, then (a) such payment or benefit shall be made or provided to the Participant only upon a "separation from service" as defined for purposes of Section 409A of the Internal Revenue Code under applicable regulations and (b) if the Participant is a "specified employee" (within the meaning of Section 409A of the Internal Revenue Code and as determined by the Company), such payment or benefit shall not be made or provided before the date that is six months after the date of the Participant's separation from service (or the Participant's earlier death).

14. **Effective Date.** The Plan became effective upon approval by the stockholders of the Company. The amendments to the Plan shall become effective upon approval by the stockholders of the Company on June 11, 2020.

15. **Severability.** If any of the provisions of this Plan or any Award Agreement is finally held to be invalid, illegal or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability and the remaining provisions shall not be affected thereby; provided that, if any of such provisions is finally held to be invalid, illegal, or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed to be modified to the minimum extent necessary to modify such scope in order to make such provision enforceable hereunder.

16. **Plan Headings.** The headings in this Plan are for the purpose of convenience only and are not intended to define or limit the construction of the provisions hereof.

17. **Non-Uniform Treatment.** The Committee's determinations under the Plan need not be uniform and may be made by it selectively among Participants (whether or not such Participants are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, amendments and adjustments, and to enter into non-uniform and selective Award Agreements, as to the terms and provisions of Awards under the Plan.

18. **Governing Law.** The Plan and any Award Agreements shall be governed by, and construed in accordance with, the laws of the state of Delaware, without reference to principles of conflicts of laws.
