

AMC Networks Announces Commencement of Tender Offer for Up to \$450,000,000 Aggregate Principal Amount of its 4.25% Senior Notes due 2029

June 17, 2025

NEW YORK, June 17, 2025 (GLOBE NEWSWIRE) -- AMC Networks Inc. (Nasdaq: AMCX) (the "Company") announced today that it has commenced a cash tender offer (the "Offer") to purchase up to \$450,000,000 aggregate principal amount (as such amount may be increased by the Company, the "Maximum Tender Amount") of its outstanding 4.25% Senior Notes due 2029 (the "Notes").

The terms and conditions of the Offer are described in an Offer to Purchase, dated June 17, 2025 (the "Offer to Purchase"). The Company intends to fund the Offer, including accrued interest and fees and expenses payable in connection with the Offer, with the net proceeds from its proposed offering of its senior secured notes due 2032 and cash on hand or other immediately available funds.

The following table sets forth certain terms of the Offer:

Title of Notes	CUSIP Number / ISIN	Aggregate Principal Amount Outstanding ⁽¹⁾	Dollars per \$1,000 Principal Amount of Notes		
			Tender Offer Consideration ⁽²⁾	Early Tender Premium	Total Consideration ⁽²⁾⁽³⁾
4.25% Senior Notes due 2029	00164V AF0 / US00164VAF04	\$885,866,000	\$765	\$50	\$815

(1) As of the date of the Offer to Purchase.

(2) Holders will also receive accrued and unpaid interest from the last interest payment with respect to the Notes accepted for purchase to, but not including, the Early Settlement Date (if any) or the Final Settlement Date, as applicable.

(3) Includes the Early Tender Premium.

The Offer will expire at 5:00 p.m., New York City time, on July 17, 2025, unless extended or earlier terminated by the Company (such date and time, as it may be extended, the "Expiration Date"). No tenders submitted after the Expiration Date will be valid.

Holders of Notes that are validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on July 1, 2025 (such date and time, as it may be extended, the "Early Tender Date") and accepted for purchase pursuant to the Offer will receive the Total Consideration set forth in the table above (the "Total Consideration"), which includes the Early Tender Premium set forth in the table above (the "Early Tender Premium"). Holders of Notes tendering their Notes after the Early Tender Date will only be eligible to receive the Tender Offer Consideration set forth in the table above (the "Tender Offer Consideration"), which is the Total Consideration less the Early Tender Premium.

All Notes validly tendered and accepted for purchase pursuant to the Offer will receive the applicable consideration set forth in the table above, plus accrued and unpaid interest on such Notes from the last interest payment date with respect to the Notes to, but not including, the Early Settlement Date (as defined below) (if any) or the Final Settlement Date (as defined below), as applicable.

Tendered Notes may be withdrawn at or prior to 5:00 p.m., New York City time, on July 1, 2025, unless extended by the Company (such date and time, as it may be extended, the "Withdrawal Date"). Holders of Notes who tender their Notes after the Withdrawal Date, but prior to the Expiration Date, may not withdraw their tendered Notes unless withdrawal rights are otherwise required by applicable law.

The Company reserves the right, but is under no obligation, at any point following the Early Tender Date and before the Expiration Date, to accept for purchase any Notes validly tendered at or prior to the Early Tender Date (the "Early Settlement Date"). The Early Settlement Date will be determined at the Company's option, subject to all conditions to the Offer having been satisfied or waived by the Company, and assuming the Company accepts for purchase Notes validly tendered pursuant to the Offer. If the Company exercises its option to have an Early Settlement Date, it expects to make payment for any Notes validly tendered at or prior to the Early Tender Date and purchased in the Offer no later than July 3, 2025, which is the second business day following the Early Tender Date. However, the Early Settlement Date may be any business day following the Early Tender Date and before the Expiration Date, at the Company's option. If the Company does not exercise its option to have an Early Settlement Date, payment for any Notes validly tendered at or prior to the Early Tender Date and purchased in the Offer will be made on the settlement date that is expected to be the second business day following the Expiration Date, or as promptly as practicable thereafter (the "Final Settlement Date"). Irrespective of whether the Company chooses to exercise its option to have an Early Settlement Date, payment for any Notes validly tendered after the Early Tender Date, but at or prior to the Expiration Date, and purchased in the Offer will be made on the Final Settlement Date.

Acceptance for tenders of the Notes may be subject to proration if the aggregate principal amount of the Notes validly tendered and not validly withdrawn is greater than the Maximum Tender Amount. Furthermore, if the Offer for the Notes is fully subscribed as of the Early Tender Date, holders who validly tender Notes after the Early Tender Date will not have any of their Notes accepted for purchase.

The Company reserves the right, but is under no obligation, to increase the Maximum Tender Amount at any time, subject to compliance with applicable law, which could result in the Company purchasing a greater aggregate principal amount of Notes in the Offer. There can be no assurance that the Company will increase the Maximum Tender Amount. If the Company increases the Maximum Tender Amount, it does not expect to extend the Withdrawal Date, subject to applicable law. Accordingly, Holders should not tender Notes that they do not wish to have purchased in the Offer.

The consummation of the Offer is not conditioned upon any minimum amount of Notes being tendered. However, the Offer is subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase, including the Company having raised net proceeds from its concurrently commenced offering of \$400,000,000 in aggregate principal amount of its senior secured notes due 2032, which,

together with cash on hand or other immediately available funds, are sufficient to fund the purchase of the Notes validly tendered and accepted for purchase in the Offer.
